COAST®

Quality for a century

Since the very beginning, we've made innovations that make people's lives easier and jobs safer. And we're still at it. It all started with a salmon fillet knife on Oregon's coastline. And today it's world-class LED optical technology and pocket tools. One thing has never changed: COAST innovations are trusted tough.

RECHARGEABLE FLASHLIGHT - XP RANGE

FEATURES

XP Professional Series Flashlights —where power meets precision. These high-performance flashlights deliver exceptional brightness and advanced focusing features, ideal for professional use. Built with robust construction and rechargeable options, the XP Professional Series ensures reliable illumination in the toughest environments. Whether for law enforcement, industrial work, or outdoor adventures, trust the XP Series to provide superior light exactly when you need it.

POWER iQ™ REAL TIME DISPLAY

The 80R and 40R features Coast's POWER iQ™ OLED screen, the super-bright XP40R and XP80R flashlights take the guesswork out of lighting by displaying both the mode and remaining run time. Equipped with a built-in USB-C port, charging in and out is easy.
