## About Us

The Tool Group is a new, progressive and customer focused wholesale distributor of quality tools and is 100% Australian owned.

The core value of the business is to supply a full range of quality brand tools with outstanding customer service. We distribute our tools across a wide network of channels throughout all Australian states and territories.

Our portfolio of brands which we represent have global heritage and have been distributed throughout the world for over 75 years and are now major brands featured in over 80 countries. Our brands are recognised for their innovation, design and quality, delivering best products and solutions to automotive, industrial, mining sectors, agriculture, hardware, building, construction and trades.
